The formal notice of the AGM is set out on pages 4 to 7 of this document. Explanatory notes on the business of this year's AGM and the notice appear on pages 8 to 18 of this document.

The AGM is one of the key ways we communicate with you, our shareholders. It is an important opportunity for you to express your views by attending, raising questions and voting at the AGM, and the Board of Directors (the **Board**) encourages you to do so.

At this AGM, the Board is seeking approval of the new Directors' Remuneration Policy, which can be found in full in the Company's Annual Report and Accounts on pages 100 to 106.

Voting at the AGM

If you will not be attending, you may complete the Form of Proxy and return it in the envelope provided to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY as soon as possible. Alternatively, you can vote online at www.investorcentre.co.uk/eproxy using the Control Number, your unique PIN and Shareholder Reference Number (SRN) printed on your Form of Proxy. Recommendation

The Board believes that all of the proposals set out in this Notice of AGM are in the best interests of shareholders as a whole and the Company and unanimously recommends that you vote in favour of all the resolutions, as the Directors intend to do in respect of their own beneficial holdings of ordinary shares in the Company of £0.01 each (each an **Ordinary Share**).

Resolution 3 seeks approval for the Directors' Remuneration Report for the year ended 31 December 2016, excluding the part of the report which sets out the Directors' Remuneration Policy. As in previous years, this resolution is advisory in nature and, as such, it does not affect the actual remuneration paid to any director. The Directors' Remuneration Report is set out on pages 98 to 113 (excluding the Remuneration Policy on pages 100 to 106) of the 2016 Annual Report and Accounts.

Resolution 4: Directors' Remuneration Policy

The Directors' Remuneration Policy, if approved, will take effect from 1 June 2017 and will apply until the Company's AGM in 2020, unless replaced by a new or amended policy, in which case, the Company will propose a new resolution to approve any amended or revised policy. The Board is only permitted to make remuneration payments in accordance with the latest policy approved by shareholders.

Resolutions 5 to 11: Re-election of Directors

In accordance with the provisions of the UK Corporate Governance Code, the Board has decided that, as has been the case since the Company listed, all Directors should retire at the AGM and offer themselves for re-election.

The Nomination Committee identifies, evaluates and recommends candidates for appointment or re-appointment as Directors. The Nomination Committee and the Board keeps the balance of skills, experience, knowledge and independence of the Board under regular review and seeks to ensure an orderly succession of Directors.

The Nomination Committee has reviewed the performance of each Director now standing for re-election, and, having considered the complementary skills and expertise brought by each to the Board, the Nomination Committee believes that they each continue to be effective and demonstrate commitment to their roles, including commitment of time for the Board and Committee meetings and any other duties. The Board as a whole is content that each Non-Executive Director standing for re-election is independent in character and judgment and that there are no relationships or circumstances likely to affect that independence.

Accordingly, the Board recommends the re-election of each of the Directors.

Resolutions 12 and 13: Re-appointment of auditor and setting of auditor's fees

At each general meeting at which accounts are presented, the Company is required to appoint an auditor to hold office until the conclusion of the Company's next AGM, which is in 2018, as well as fix the remuneration of the auditor. The performance and effectiveness of the auditor, which included an assessment of the auditor's independence and objectivity, and a review of the non-audit services provided by the auditor, has been evaluated by the Company's Audit Committee, which has recommended to the Board that Ernst & Young LLP be re-appointed. Ernst & Young LLP has also indicated that it is willing to continue as the Company's auditor. Resolution 12 seeks authorisation for the re-appointment of Ernst & Young LLP as auditor and following normal practice, resolution 13 seeks authorisation for the Board to set the auditor's fees.

Resolution 14: Authority to make political donations

Any political donations or expenditure regulated by the Act requires shareholder approval. It is not the Company's policy to make donations to political parties, independent election candidates or political organisations or to incur political expenditure. However, the scope of the definitions of political parties, independent election candidates, political organisations and political expenditure used within the Act are very wide. In particular, the definition of political organisations may extend to bodies such as those concerned with policy review, law reform, the representation of the business community and special interest groups such as those concerned with the environment, which the company and its subsidiaries might wish to support. As a result, the definitions may cover legitimate business activities which are not, in the ordinary sense, considered to be political donations or political expenditure. Such activities are not designed to support any political party or independent election candidate or to influence public support for any political party or independent election candidate. The authority which the Board is requesting is a precautionary measure to ensure that the company and its subsidiaries do not inadvertently commit a technical breach of the Act.

This authority will cover the period from the date resolution 14 is passed until the conclusion of the AGM in 2018, unless previously renewed, revoked or varied by the Company in a general meeting. Any expenditure which may be incurred under authority of this resolution in excess of £2,000 per expenditure will be disclosed in next year's annual report.

No payments have been made under previous authorities given in this regard.

Resolution 15: Director's authority to allot shares

Paragraph a) of resolution 15 would give the Board power to allot shares and grant rights to subscribe for or convert any security into shares up to a nominal value of £131,564.40. This represents 13,156,440 Ordinary Shares, which is approximately one-third of the Company's current issued ordinary share capital as at 1 May 2017, being the latest practicable date prior to the publication of this notice of AGM.

The Investment Association's Share Capital Management Guidelines 2016 state that the Investment Association will regard as a routine request to authorise the allotment of a further one-third of a company's issued share capital in connection with a rights issue. In light of this, paragraph b) of this resolution 15 proposes that, in addition to the authority in paragraph a), the Board be granted the power to allot further equity securities up to a nominal amount of £131,564.40. This represents 13,156,440 Ordinary Shares, which is approximately one-third of the Company's current issued ordinary share capital as at 1 May 2017, being the latest practicable date prior to the publication of this notice of AGM.

The Board has no current plans to make use of this authority but wishes to ensure that the Company has maximum flexibility in managing the Company's capital resources. The authority set out in this resolution will remain in force until the conclusion of the Company's AGM in 2018 or, if earlier, at the close of business on 1 September 2018 (being 15 months after the date of the forthcoming AGM) save that in each case the Company may, before the authority expires, make an offer or agreement which would or might require equity securities to be allotted, or rights to be granted, after this authority expires and the Directors may allot shares

or grant rights to subscribe for or to convert any security into shares under any such offer or agreement as if the authority had not expired.

The Company did not hold any shares in treasury within the meaning of the Act as at 1 May 2017, being the latest practicable date prior to the publication of this notice of AGM.

Resolutions 16 and 17: Disapplication of Pre-emption rights (special resolutions)

Resolutions 16 and 17 would give the Board power to allot equity securities (or sell any equity securities which the Company holds in treasury) for cash without first offering them to existing shareholders in proportion to their existing holdings.

The power set out in resolution 16, is limited to: a) allotments or sales in connection pre-emptive offers and offers to holders of equity securities if required by the rights of those securities or as the Board otherwise considers necessary, or b) otherwise up to a maximum nominal amount of £19,734.66, representing 1,973,466 Ordinary Shares, which is approximately 5% of the Company's issued ordinary share capital as at 1 May 2017, being the latest practicable date prior to the publication of this notice of AGM.

Resolution 17 is intended to give the Company flexibility to make non-pre-emptive issues of Ordinary Shares in connection with an acquisition or specified capital investment up to a maximum nominal amount of £19,734.66, representing 1,973,466 Ordinary Shares, which is approximately 5% of the Company's issued ordinary share capital as at 1 May 2017, being the latest practicable date prior to the publication of this notice of AGM.

These disapplication authorities are in line with the guidance issued by the Investment Association (as updated in July 2016) and the Pre-Emption Group's Statement of Principles (as updated in March 2015) (the **Statement of Principles**). The Statement of Principles were revised in 2015 to allow the authority for an issue of shares otherwise than in connection with a pre-emptive offer to be increased from 5% to 10% of the Company's issued Ordinary Share capital, provided that the Company confirms that it intends to use the additional 5% authority only in connection with an acquisition or specified capital investment. In May 2016, the Pre-emption Group recommended that this additional 5% authority be sought in a separate resolution, which is the approach that the Company has taken this year.

In compliance with the Statement of Principles, the Board confirms that it will not allot equity securities for cash, and/or sell treasury shares, on a non-pre-emptive basis pursuant to the authority in resolution 17 other than in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

In addition, the Board also confirms that in accordance with the Statement of Principles, it does not intend to allot equity securities for cash, and/or sell treasury shares, representing more than 7.5% of the Company's issued ordinary share capital in any rolling three-year period other than to existing shareholders, save as permitted in connection with an acquisition or specified capital investment as described above, unless shareholders have been notified and consulted in advance.

The authorities sought under resolutions 16 and 17 will expire at the conclusion of the Company's AGM in 2018 or if earlier, at the close of business on 1 September 2018, being 15 months after the date of the forthcoming AGM, but, in each case, prior to its expiry, the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and/or treasury shares to be sold) after the authority expires and the Board may allot equity securities (and/or sell treasury shares) under any such offer or agreement as if the authority had not expired.

The Board has no present intention to exercise the authority conferred by this resolution.

Resolution 18: Authority to purchase Ordinary Shares (special resolution)

Resolution 18 authorises the Company to make market purchases of up to 3,946,932 of its own Ordinary Shares, representing approximately 10% of the Company's issued ordinary share capital as at 1 May 2017, being the latest practicable date prior to the publication of this notice of AGM. The resolution specifies the minimum and maximum prices at which the Ordinary Shares may be bought under this authority. The effect of this resolution is to renew the authority currently held by the Board to purchase up to 10% of the Company's issued ordinary share capital. The authority set out in resolution 18 will remain in force until the conclusion of the Company's AGM in 2018 or if earlier, at the close of business on 1 July 2018, being 13 months after the date of the forthcoming AGM (except in relation to any purchase of Ordinary Shares for which the contract was concluded before such date and which would or might be executed wholly or partly after such date). The Company is entitled to hold the Ordinary Shares as treasury shares, sell them for cash, cancel them or transfer them pursuant to an employee share plan.

As announced on 10 March 2017, as a result of the Group's very strong capital position, excess levels of liquidity and high level of internal capital generation, the Board believed it was: (a) likely to promote the success of the Company; (b) for the benefit the shareholders as a whole; and (c) would result in an increase in the earnings per share, for the Company to commence a purchase for cancellation programme of BGEO Ordinary Shares of £0.01 each up to a maximum consideration of US\$50 million over a two-year period (the **Buyback**). Any shares repurchased pursuant to the Buyback will be immediately cancelled. The Buyback is currently being implemented under the existing authority to make market purchases obtained at the 2016 AGM. Subject to resolution 18 being approved, the Company will continue to implement the Buyback under the authority obtained under resolution 18. In the event that resolution 18 is not approved, the Buyback will cease at that point (except in relation to any purchase of Ordinary Shares for which the contract was concluded before such date and which would or might be executed wholly or partly after such date). As at 1 May 2017, being the latest practicable date prior to the publication of this notice of AGM, the Company had purchased and cancelled 31,000 of its Ordinary Shares (0.078% of the Company's issued share capital as at 1 May 2017) pursuant to the Buyback.

The Company had no Ordinary Shares held in treasury within the meaning of the Act as at 1 May 2017, being the latest practicable date prior to the publication of this notice of AGM.

RECOMMENDATION

The Directors consider that all of the resolutions being proposed at this year's AGM will promote the success of the Company and are in the best interests of shareholders as a whole and the Company. The Directors therefore unanimously recommend that you vote in favour of all the resolutions, as the Directors intend to do in respect of their own beneficial holdings of Ordinary Shares in the Company.

NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

1 Entitlement to Attend and Vote

Shareholders registered in the Register of Members of the Company as at 6:00 pm (London time) on 30 May 2017 (or, in the event of any adjournment, on the date which is two days before the time of the adjourned meeting excluding non-working days) shall be entitled to attend or vote at the AGM in respect of the Ordinary Shares registered in their name at that time. Changes to entries on the Register of Members after 6:00 pm (London time) on 30 May 2017 will be disregarded in determining the rights of any person to attend or vote at the AGM.

2 Proxies

Members are entitled to appoint a proxy (who need not be a member of the Company) to exercise all or any of their rights to attend, speak and vote on their behalf at the AGM.

A member may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to different Ordinary Shares held by that member. Members who wish to appoint more than one proxy in respect of their holding may obtain additional Forms of Proxy by contacting the Company's Registrars, Computershare on +44 (0)370 873 5866 or may photocopy the Form of Proxy provided with this document indicating on each copy the name of the proxy appointed and the number of Ordinary Shares in respect of which that proxy is appointed. All Forms of Proxy should be returned together in the same envelope.

Completion of the Form of Proxy will not prevent a member from subsequently attending and voting at the AGM in person if they so wish. The Form of Proxy, and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority), must be received by post or (during normal business hours only) by hand at the offices of the Company's Registrars, Computershare Investor Services PLC (**Computershare**) at The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom no later than 12:00 noon (London time) on 30 May 2017, being 48 hours before the time appointed for the holding of the AGM excluding non-working days.

Members may submit their proxies electronically at www.investorcentre.co.uk/eproxy using the Control Number, your unique PIN and Shareholder Reference Number (SRN) printed on your Form of Proxy.

3 Information Rights and Nominated Persons

Persons who have been nominated under section 146 of Act (a **Nominated Person**) to enjoy information rights do not have a right to vote or appoint a proxy at the AGM and the statements of the rights of members in relation to the appointment of proxies in note 2 above does not apply to Nominated Persons. The rights described in that note can only be exercised by members of the Company.

However, a Nominated Person may have the right (under an agreement with the member by whom they were nominated) to be appointed, or to have someone else appointed, as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise that right, they may have a right to give voting instructions to the registered shareholder under any such agreement.

4 Corporate Representatives

A corporate shareholder may appoint a person or persons to act as its representative(s) at the AGM. Each such representative may exercise (on behalf of the corporate shareholder) the same powers as the corporate shareholder could exercise if they were an individual shareholder in the Company, provided that they do not do so in relation to the same Ordinary Shares.

5 **CREST Proxy Instructions**

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM to be held on 1 June 2017 and any adjournment thereof by following the procedures described in the CREST Manual. CREST Personal Members or other CREST Sponsored Members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a **CREST Proxy Instruction**) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID Number 3RA50) no later than 12:00 noon (London time) on 30 May 2017. No message received through the CREST network after this time will be accepted. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The CREST Manual is available at www.euroclear.com/CREST.

CREST members and, where applicable, their CREST sponsors or voting service provider should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member or Sponsored Member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company will treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

6 **Issued Share Capital and Total Voting Rights**

Holders of Ordinary Shares are entitled to attend and vote at general meetings of the Company. Each Ordinary Share entitles the holder to one vote on a poll. As at 1 May 2017, being the last practicable date prior to the publication of this Notice, the Company's issued share capital consisted of 39,469,320 Ordinary Shares. The Company does not hold any Ordinary Shares in treasury within the meaning of the Act. Therefore, the total voting rights in the Company as at 1 May 2017 are 39,469,320.

7 **Voting at the AGM**

Each of the resolutions to be put to the AGM will be voted on by way of a poll and not by a show of hands. In this way, the voting preferences of all shareholders are taken into account not only those who are able to physically attend the AGM. The results of the poll will be notified to the market in the usual way and published on the Company's website after the meeting.

8 **Publication of Audit Concerns**

Under section 527 of the Act, the Company may be required by members meeting the threshold set out in that section to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance

with section 437 of the Act which they intend to raise at the AGM. The Company may not require the members requesting any such website publication to pay its costs in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on a website.

9 Questions

Any member attending the AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the AGM but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or would involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.

10 Display Documents

Copies of the service contract for the Executive Director, the letters of appointment for the Non-Executive Directors and the Company's Articles of Association are available for inspection at the registered office of the Company during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted) and also at the place of the AGM from 11:30 am (London time) on the day of the AGM until the conclusion thereof.
