LETTER FROM THE CHAIRMAN

Dear Shareholder

I am pleased to be writing to you, on behalf of the Board of Directors, with details of the Annual General Meeting (**AGM**) of Bank of Georgia Holdings PLC (the **Company**) which will be held at Freshfields Bruckhaus Deringer LLP, 65 Fleet Street, London EC4Y 1HS on Thursday, 21 May 2015 at 10:00 am (London time). The doors will open at 9:30 am (London time) and refreshments will be served before the meeting.

The formal notice of the AGM is set out on pages 4 to 7 of this document.

The AGM is one of the key ways we communicate with you, our shareholders. It is an important opportunity for you to express your views by attending, raising questions and voting at the AGM, and the Board encourages you to do so.

Voting on Remuneration

At the 2014 AGM, the Policy on Directors' Remuneration was approved by shareholders and will not be presented for approval this year. The Director's Remuneration Report will be subject to an advisory vote pursuant to resolution 3 below.

Communications with our Shareholders

You can choose how we keep you informed about the Company. You can always receive paper versions of all communications, but we would prefer to keep in touch with you electronically.

We regularly review the services and communications provided to shareholders and we welcome feedback from you.

In the meantime, on behalf of the Board, I look forward to welcoming you to the Company's AGM.

Voting at the AGM

In order for the voting preferences of all shareholders to be taken into account, not only those who can physically attend, the Company will conduct a poll vote on all resolutions put to the AGM. If you would like to vote on the resolutions being put to the AGM but will not attend in person, please complete the Form of Proxy and return it in the envelope provided to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY as soon as possible. Alternatively, you can vote online at www.investorcentre.co.uk/eproxy using the Control Number, your unique PIN and Shareholder Reference Number (SRN) printed on your Form of Proxy. The return of the Form of Proxy by post or registering your vote online will not prevent you from attending the AGM and voting in person should you so wish.

To be valid, the Form of Proxy or online voting instruction must be received by Computershare no later than 10:00 am (London time) on 19 May 2015. CREST members may choose to use the CREST electronic proxy appointment service in accordance with the procedures set out in note 5 on page 17.

The results of the poll will be released to the market via the Regulatory News Service of the London Stock Exchange and published on the Company's website as soon as practicable after the conclusion of the AGM.

Explanatory Notes on all the business to be considered at this year's AGM appear on pages 8 to 15 of this document. The Board believes that all of the proposals set out in this Notice of AGM are in the best interests of shareholders as a whole and the Company and unanimously recommends that you vote in favour of all the resolutions, as the Directors intend to do in respect of their own beneficial shareholdings.

Yours faithfully,

Neil Janin
Chairman

EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

The notes on the following pages are given as explanations of the proposed resolutions.

Resolutions 1 to 15 are proposed as ordinary resolutions. This means that, for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolutions.

Resolutions 16 to 18 are proposed as special resolutions. This means that, for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Please note that a “vote withheld” (as it appears in the Form of Proxy) is not a vote in law and will not be counted in the calculation of the proportion of votes “for” or “against” a resolution.

Resolution 1: Annual Report and Accounts

The Directors are required by law to present, for each financial year, copies of the Company’s Annual Report and Accounts and auditors’ report to shareholders at a general meeting.

Resolution 2: Declaration of a Final Dividend

Final dividends must be approved by shareholders of the Company but cannot be more than the amount recommended by Directors.

If the AGM approves resolution 2, the final dividend of GEL 2.1 per Ordinary Share will be paid in British Sterling on 16 June 2015 to shareholders on the UK register of members at the close of business in London on 5 June 2015.

The proposed dividend timetable is as follows:

Payment Date:	16 June 2015

Resolutions 3: Director’s Remuneration Report

Resolution 3 is an advisory vote on the implementation of the Company’s existing remuneration policy in terms of payments and share awards made to Directors during the previous financial year (the Director’s Remuneration Report).

Resolutions 4 to 11: Re-election of Directors

In accordance with the provisions of the UK Corporate Governance Code, the Board has decided that, as has been the case since the Company listed, all Directors should retire at the AGM and offer themselves for re-election.

The Nomination Committee identifies, evaluates and recommends candidates for appointment or reappointment as Directors. The Nomination Committee keeps the balance of knowledge, skills and experience of the Board under regular review and seeks to ensure an orderly succession of Directors.

The Nomination Committee has reviewed the performance of each Director now standing for re-election, and having considered the complementary skills and expertise brought by each to the

Board, the Nomination Committee believes that they continue to be effective and demonstrate commitment to their roles, including commitment of time for the board and committee meetings and any other duties. The Board as a whole is content that each Non-Executive Director standing for election is independent in character and judgement and that there are no relationships or circumstances likely to affect that independence. Accordingly, the Board recommends the re-election of these Directors.

Resolutions 12 and 13: Re-appointment of auditor and setting of auditor's fees

At each general meeting at which accounts are presented, the Company is required to appoint an auditor to hold office until the conclusion of the Company's next AGM, which is in 2016, as well as fix the remuneration of the auditor. The performance and effectiveness of the auditor, which included an assessment of the auditor's independence and objectivity, and a review of the non-audit services provided by the auditor, has been evaluated by the Company's Audit Committee, which has recommended to the Board that Ernst & Young LLP be re-appointed. Ernst & Young LLP has also indicated that it is willing to continue as the Company's auditor. Shareholders are asked to re-appoint Ernst & Young LLP as auditor and, following normal practice, to authorise the Board to set the auditor's fees.

Resolution 14: Authority to make political donations

Any political donations or expenditure regulated by the Act requires shareholder approval. It is not the Company's policy to make political donations or to incur political expenditure, however the scope of the definitions of political expenditure, political parties, independent election candidates and political organisations within the Act are sufficiently broad for the Company to seek shareholder approval as a necessary precautionary measure so that its usual business activity does not inadvertently commit a technical breach of the Act.

Accordingly, the Directors have decided to put forward this resolution to renew the authority granted by shareholders at the AGM in 2014 to permit political donations and political expenditure in case any of its activities in its normal course of business, are caught by the legislation. This authority will cover the period from the date resolution 14 is passed until the conclusion of the AGM

in 2016, unless previously renewed, revoked or varied by the Company in a general meeting. Any expenditure which may be incurred under authority of this resolution in excess of £2,000 per expenditure will be disclosed in next year's annual report.

Resolution 15: Director's authority to allot shares

Under section 551 of the Act, the Directors may only allot shares or grant rights to subscribe for, or convert any securities into shares, if shareholders in a general meeting have given them the authority to do so. The authority conferred on the Directors at the Company's AGM in 2014 to allot ordinary shares or grant rights to subscribe for or convert any security into such shares will expire at the end of this year's AGM. Accordingly, resolution 15 seeks shareholder's approval to renew this authority.

Paragraph a) of resolution 15 asks for authority to be given to allow the directors to allot shares or grant rights to subscribe for or convert any security into shares up to an aggregate nominal value of £131,667.73, one-third of the Company's current issued ordinary share capital.

The Association of British Insurers has advised that it will regard as routine request to authorise the allotment of a further one-third of a company's issued share capital in connection with a rights issue. In light of this, paragraph b) of this resolution 15 proposes that a further authority be conferred on the Directors to allot shares or rights to subscribe for shares in connection with a rights issue in favour of holders of equity securities up to an aggregate nominal amount of £263,335.46, such amount to be reduced by the nominal amount of Ordinary Shares or rights to subscribe for Ordinary Shares issued under the authority conferred by paragraph a) of this resolution. This amount (before any reduction) represents two-thirds of the Company's current issued ordinary share capital.

The Board has no current plans to make use of this authority but wishes to ensure that the Company has maximum flexibility in managing the group's capital resources. The authority set out in this resolution will remain in force until the conclusion of the Company's AGM in 2016.

Resolution 16: Director's authority to disapply pre-emptive rights

The effect of this resolution is to renew the authority currently held by the Directors to allot shares (or sell any shares which the Company elects to hold in treasury) for cash without first offering them to existing shareholders.

The authority would be limited to allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares or as the Board otherwise considers necessary, up to an aggregate nominal value of £19,750.16, 5% of the currently issued ordinary share capital of the Company.

The authority set out in this resolution will remain in force until the conclusion of the Company's AGM in 2016.

In accordance with institutional investor guidelines, the Directors confirm their intention that no more than 7.5% of the Company's issued share capital will be issued for cash on a non-pre-emptive basis during any rolling three year period of the Company (excluding shares issued pursuant to employee incentive schemes).

Resolution 17: Authority to purchase Ordinary Shares

The Directors are committed to the effective management of the Company's capital resources and in certain circumstances it may be advantageous for the Company to purchase its own Ordinary Shares.

The effect of this resolution is to renew the authority currently held by the Directors to purchase up to 10% of the Company's issued share capital. No Ordinary Shares were bought back under the current authority.

This resolution would enable the Directors to buy back up to 3,950,032 Ordinary Shares and sets the maximum and minimum prices at which these Ordinary Shares may be bought.

Companies are able to hold purchased shares as treasury shares rather than cancelling them. While the Act no longer places a limit on the number of shares which can be held in treasury, the Association of British Insurers considers that the former 10% limit remains appropriate. The Directors will decide at the time of purchase whether to hold shares in treasury or to cancel them immediately. Ordinary Shares held in treasury do not carry voting rights and no dividends will be paid on any such Ordinary Shares. It is also possible for the Company to transfer shares out of treasury pursuant to an employees' share scheme. If any shares are so used, the Company will include them in the limits on the number of new shares which may be issued by such employees' share schemes, as long as this is required under institutional guidance. Currently, the Company has no Ordinary Shares held in treasury within the meaning of the Act.

The Directors have no present intention of exercising the authority to purchase the Ordinary Shares but will keep the matter under review, taking into account other investment opportunities. The authority would only be exercised if and when, in the light of market conditions prevailing at the time, they believe that the effect of such purchases will be in the best interests of shareholders generally.

The authority set out in this resolution will remain in force until the conclusion of the Company's AGM in 2016.

Resolution 18: General Meetings

The Act requires listed companies to provide shareholders with 21 days' notice of any general meeting unless shareholders have approved the calling of general meetings at shorter notice. The notice period for an AGM cannot be reduced in this way.

While the Directors do not intend calling general meetings on short notice as a matter of routine, enabling the Board to call general meetings on 14 clear days' notice would provide flexibility where that was merited by the business of the relevant meeting.

Resolution 18 will remain in force until the conclusion of the Company's AGM in 2016.

RECOMMENDATION

The Directors consider that all the resolutions being proposed at this year's AGM will promote the success of the Company and are in the best interests of shareholders as a whole and the Company. The Directors therefore unanimously recommend that you vote in favour of all the resolutions, as the Directors intend to do in respect of their own beneficial holdings.

Notes to the Notice of Annual General Meeting

1 Entitlement to Attend and Vote

Shareholders registered in the Register of Members of the Company as at 10:00 am (London time) on 19 May 2015 (or, in the event of any adjournment, on the date which is two days before the time of the adjourned meeting excluding non-working days) shall be entitled to attend or vote at the AGM in respect of the Ordinary Shares registered in their name at that time. Changes to entries on the Register of Members after 10:00 am (London time) on 19 May 2015 will be disregarded in determining the rights of any person to attend or vote at the AGM.

2 Proxies

Members are entitled to appoint a proxy (who need not be a member of the Company) to exercise all or any of their rights to attend, speak and vote on their behalf at the AGM.

A member may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to different Ordinary Shares held by that member. Members who wish to appoint more than one proxy in respect of their holding may obtain additional Forms of Proxy by contacting the Company's Registrars, Computershare on +44 (0)870 873 5866 or may photocopy the Form of Proxy provided with this document indicating on each copy the name of the proxy appointed and the number of Ordinary Shares in the Company in respect of which that proxy is appointed. All Forms of Proxy should be returned together in the same envelope.

Completion of the Form of Proxy will not prevent a member from subsequently attending and voting at the AGM in person if they so wish. The Form of Proxy, and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority), must be received by post or (during normal business hours only) by hand at the offices of the Company's Registrars, Computershare at The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom no later than 10:00 am (London time) on 19 May 2015, being 48 hours before the time appointed for the holding of the AGM excluding non-working days.

Members may submit their proxies electronically at www.investorcentre.co.uk/eproxy using the Control Number, your unique PIN and Shareholder Reference Number (SRN) printed on your Form of Proxy.

3 Information Rights and Nominated Persons

Persons who have been nominated under section 146 of Act (a **Nominated Person**) to enjoy information rights do not have a right to vote or appoint a proxy at the AGM and the statements of the rights of members in relation to the appointment of proxies in note 2 above does not apply to Nominated Persons. The rights described in that note can only be exercised by members of the Company.

However, a Nominated Person may have the right (under an agreement with the member by whom they were nominated) to be appointed, or to have someone else appointed, as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise that right, they may have a right to give voting instructions to the registered shareholder under any such agreement.

4 Corporate Representatives

A corporate shareholder may authorise a person or persons to act as its representative(s) at the AGM. Each such representative may exercise (on behalf of the corporate shareholder) the same powers as the corporate shareholder could exercise if they were an individual shareholder in the Company, provided that they do not do so in relation to the same Ordinary Shares.

5 CREST Proxy Instructions

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM to be held on 21 May 2015 and any adjournment thereof by following the procedures described in the CREST Manual. CREST Personal Members or other CREST Sponsored Members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a **CREST Proxy Instruction**) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID Number 3RA50) no later than 10:00 am (London time) on 21 May 2015. No message received through the CREST network after this time will be accepted. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The CREST Manual is available at www.euroclear.com/CREST.

CREST members and, where applicable, their CREST sponsors or voting service provider should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member or Sponsored Member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company will treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

6 Issued Share Capital and Total Voting Rights

Holders of Ordinary Shares are entitled to attend and vote at general meetings of the Company. Each Ordinary Shares entitles the holder to one vote on a poll. As at 22 April 2015, being the last practicable date prior to the publication of this Notice, the Company's issued share capital consisted of 39,500,320 Ordinary Shares. The Company does not hold any

Ordinary Shares in treasury within the meaning of the Act. Therefore, the total voting rights in the Company as at 22 April 2015 are 39,500,320.

7 Voting at the AGM

Each of the resolutions to be put to the AGM will be voted on by way of a poll and not by a show of hands. In this way, the voting preferences of all shareholders are taken into account not only those who are able to physically attend the AGM. The results of the poll will be notified to the market in the usual way and published on the Company's website after the meeting.

8 Publication of Audit Concerns

Under section 527 of the Act, the Company may be required by members meeting the threshold set out in that section to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act which they intend to raise at the AGM. The Company may not require the members requesting any such website publication to pay its costs in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on a website.

9 Questions

Any member attending the AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the AGM but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or would involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.
