*Georgia Capital mandates Banks to consider Bond issuance*

BGEO Group PLC (the “**Group**” or “**BGEO**”), announces that its investment business holding company, JSC Georgia Capital, has mandated a number of investment banks to consider the potential issuance of a Eurobond. There can be no certainty that a transaction will take place and a further announcement will be made, if appropriate, in due course.

**Irakli Gilauri**, BGEO CEO commented: “The Board of BGEO announced earlier this week that it had approved the implementation of the proposed demerger of BGEO Group into two separately London-listed businesses: Bank of Georgia PLC and Georgia Capital PLC. Following this announcement, Georgia Capital is considering the best ways to optimise its balance sheet flexibility and capital structure ahead of the demerger and will explore the option of issuing a US dollar denominated Eurobond.”
